Mr. Moskowitz:

Thank you.

Trynow does not object to your proposed order for PJ and email services, and Trynow shall be available to accept your email service as early as 12/23/2019. In exchange, Trynow would like to request an 21-day extension to file its response before the court. However, the email addresses provided in your motion ([trademark@cn-ip.cn](mailto:trademark@cn-ip.cn) & [trynow@cn-ip.cn](mailto:trynow@cn-ip.cn)) are both trynow's email addresses, and was used as corresponding addresses only for its trademark application purpose. Service sent via those email addresses would only be delivered to Trynow, but not Ms. Wen. Trynow has no relationship (other than assisted her trademark application in 2016) with her thus is unable to accept service on her behalf. Trynow will try its best to locate Ms. Wen's personal or business email address and provide it to you ASAP.

I am looking forward to talking with you and explain in detail about Trynow's standing in this case.

Thank you.
